Why do I need to send proof of No Claims Bonus (NCB)?

At A Choice we like to do things differently from our competitors. We ask our competitors to provide valid proof of NCB. That way we make sure we're only insuring safe drivers like you, keep our costs down – and your premiums – low!

We Can Accept

We can accept the following documents as proof of your NCB

- Your latest renewal notice
- Evidence of your last cancelled or lapsed car insurance policy

The best way to do this is to send us your original renewal notice from your previous insurer as this will allow us to validate your NCB immediately. Please make sure your renewal notice includes the details in the checklist below. We will need the front and back of the renewal notice if it from Admiral, Bell, Diamond or Elephant.

We will verify the information with your previous insurer.

No Proof of NCB?

If you don't have written proof of NCB, you can do either of the following:

- You can contact your previous insurer directly and ask them to send you proof of NCB
- You can email us at admin@a-choice.co.uk with your policy reference number in the subject line.

Send us your previous insurance company name, previous insurance policy number, vehicle registration number and your previous address if you have moved with the last 2 years; and we will try and obtain the proof of NCB for you.

Please note if your previous insurer was Admiral, Adrian Flux/Flux Direct, Bell, Diamond, Elephant, General Accident, More Than Smart Miles, Octagon, Quote Me Happy, Tesco or Tesco Bank, you will have to contact the insurer as they will need to speak to you directly.
